

**ASTA Door Corporation** is a major supplier of rolling door products throughout the United States. ASTA's main manufacturing facility is located in Acworth, Georgia and was established in 1990. We have become a market leader through a tradition of quality and durability that has been the standard for all of our products. By producing a wide range of rolling door products at competitive prices, we provide effective solutions for our customer's applications.

**ASTA Door Corporation** manufactures Industrial Rolling Steel Slat Doors, Insulated Rolling Steel Slat Doors, Commercial Rolling Steel Sheet Doors, and Mini/Self Storage Roll up Doors. We also offer a wide variety of other products including Rolling Steel Fire Doors, Counter Fire Shutters, and Commercial Sectional Doors. With an uncompromising commitment to cost effective reliability and over twenty years experience in engineering, manufacturing and innovation, ASTA Door Corporation continues to provide our customers with a competitive edge in the market place.
